How to Create a New Component in Altium Schematic

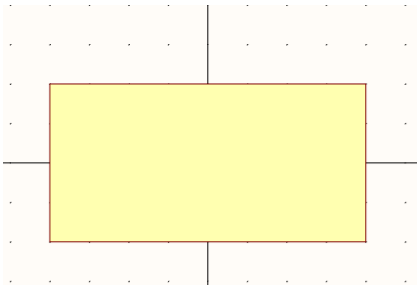

Step 1: File => New => Library => Schematic Library

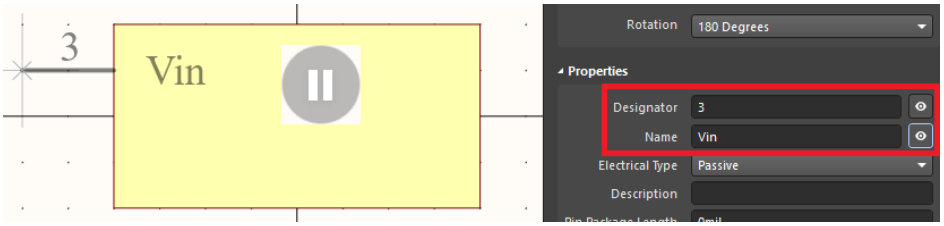

Step 2: Set the Grid by hitting **V G S** to e.g. 100mil

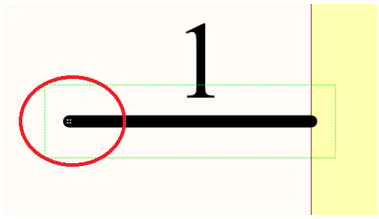

Step 3: Hit **P** then **R** to place rectangle as follows

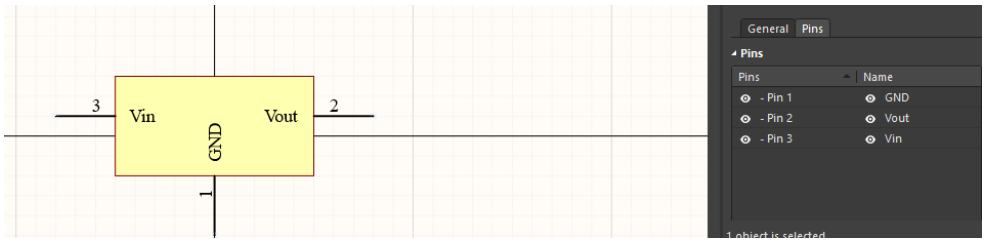

Step 4: Adding PINs to the Symbol: Short cut Key: **P, P.** Before placing PINs hit TAB to name pins

Step 5: Place the pins as follows
